THEY CURSED TRUTH TELLERS AND CATS # 4

Again, I am struck by the ageless advise of Local #34's cadre of wise sages associated with the International Hobo's League where they warn novices that "Nothing of any value is truly FREE; there is always an underlying cost or obligation concealed within the fine print, or even more troubling, the reality that anything offered without charge may carry inherent flaws."

It's evident how my thoughts can easily drift into the tangled thicket of diminishing interest. Even without the stimulating effects of Red Curry Pancake Paste, my mind wanders back to a different era, a different setting, back years ago, during my time as a weary public school teacher in a small mining town in southern Arizona, I often found myself reciting this mantra.
